A testimonial concerning our late beloved friend Sarah B Roberts was presented by Dover Monthly meeting has been read in this meeting and is acceptable to us. And the clerk is directed to sign it and forward the same to the meeting for sufferings.

Testimony of Dover Monthly meeting concerning our deceased friend Sarah B Roberts

Our beloved friend Sarah B Roberts, was the daughter of Jonathan Beede and Anna Beede and was born in Sandwich N.H. 14th of 2mo 1796

In childhood she was favored with the gentle influence of our Heavenly Father's regard, as appears by her own remarks in her diary, in which she expresses that in early life the Lord visited her with the

lowering impressions of His love;

Many and deep were the baptisms appointed for Him who saw not to withhold her, and thus to prepare her to declare to others what the Lord had done for her, and to preach the unsearchable riches of Christ; under which her soul longed for a living experience in that which crucified to the world. She appears to have deeply felt the necessity of a preparation of heart for the solemn vocation to which she was called. At the age of seventeen years, she [illegible], and being as tender and sympathizing mother; the shock she said, she was not prepared to meet, and verily thought it was a judgment sent upon her for disobedience. She then resolved with the assistance of Him she desired to love and serve to yield obedience to the manifestations of His will by publicly acknowledging her Lord and Master: and by yielding thereto she was favored to feel the answer of peace. In the 11th mo 1833 she was married to our friend Jesse Roberts of Farmington and came to reside within the limits of Deer Monthly Meeting. In 1834 her public appearances in the Ministry were approved.

In 4th mo 1839 a minute was granted her to visit the Northern part of New York Yearly Meeting particularly Canada which visit she was favored to perform to the peace of her own mind and to the satisfaction of those visited.

[illegible] the close of this visit, thus in her own [illegible] she writes, I believe I never felt more peaceful than I have to day. I have felt an unusual melody in my heart for which for which, I know not how to be sufficiently thankful. I know not how I could be happier in this tenement of clay and surely it is not for any works of righteousness that I have done. No! No! It is all mercy, free unmerited mercy. My lips have been sealed, and my meditations has been sweet. And oh! how have I poured out my soul in silent prayer for the loved ones at home, and for all of those with whom I have met and mingled on our journey as well as for all mankind.

It appears that our dear friend was permitted to witness the fulfillment of the declaration "He that goeth forth and weepeth bearing precious seed, shall

[illegible] come again with rejoicing, bringing his sheaves with him."

It is under a lively impression of her upright walk amongst us, and a deep sense of our privation by her removal, that we are concerned to bear testimony to the efficacy of that Divine grace which so prevailed in her to the purifying of her heart, and which qualified her to become a faithful laborer in the Master's vineyard. It is meet that such be held in remembrance as an encouragement to others to persevere in a like course of faithfulness — Her deportment was dignified & instructive, bearing the evidence of a watchful & guarded spirit, & in the administration of discipline her judgment was clear, seeking the honor of Truth and the health of the body.

[illegible] was favored & edifying & under the influence as we believe of Divine Truth, it met the faithful witness in the hearers, & being careful not to move without right authority; she was also cautious not to exceed its limitations.

The sufferings of our dear friend while prostrated by sickness, were at times great, yet they were borne with patient resignation & the precious covering of her spirit seemed evident to those around her, while the nature of the disease prevented much expression. Several Ministering Friends called to see her during those painful hours which to her afforded comfort & refreshment. Near the close she repeated the words of the Psalmist: Light is sown for the righteous & joy & gladness for the upright in heart!

She departed this life the 4th of 10th Mo 1863 in the 68th year of her age, & we reverently believe her ransomed spirit obtained admittance into the Kingdom of Heaven.

Signed on behalf & by direction of Dover Monthly Meeting of Friends held at Dover 18th of 4th Mo 1866. Cyrus Bangs } Clerks

YEARLY MEETING,

6TH MONTH, 1869.

TO THE YEARLY MEETING:

The Committee in charge of the Boarding School at Providence report; that they have given attention to their appointment, and feel much satisfaction in stating that, under the administration of the present officers and teachers the affairs of the school and family have been well and efficiently conducted, and the high character which the school has sustained for many years past has been maintained. As far as their observation has enabled them to judge, the pupils have evinced a commendable attention to their studies, and their behavior has been generally satisfactory.

The officers of the Institution have been Albert K. Smiley, Principal; Rebecca H. Smiley, Principal of the female department; John F. Rowell, Thomas J. Battey, Sarah F. Coffin, Alice R. Wing, and Sarah A. Taber, teachers of English Branches; William B. Phillips, teacher of Ancient and Modern Languages; Daniel C. Maxfield, teacher of Mathematics; and Sarah A. Taber, teacher of Drawing.

The number of pupils in attendance during the Autumn term was one hundred and seventy-five, viz.: one hundred and five males and seventy females. In the Spring term one hundred and forty-eight, viz.: ninety-three males and fifty-five females.

Although the health of the school has been generally good, and the scholars have been mercifully preserved from disease that has at times prevailed in the vicinity, yet two cases of severe illness have occurred, one of which proved fatal. Abbie W. Holmes, daughter of Josiah Holmes, Jr., of Mattapoisett, who had been but a few weeks an inmate of the school, was removed on account of illness to her home 11th mo. 7th, 1868, and died on the 26th of the same month of typhoid fever. She was reported to us by the Principal as being a girl of remarkably delicate organization both physically and mentally, and possessed of an unusually sweet disposition. During her short stay at the school, she had greatly endeared herself to all the officers and pupils with whom she associated.

The pupils have continued to attend the meetings for worship held in Providence on First-day forenoons and in the middle of the week. First-day afternoons have been devoted to scriptural instruction and reading; and portions of scripture are read to the assembled school in each department, at the breakfast table, and before retiring for the night.

Since our last Yearly Meeting the girls' lodging-room in the east wing of the main building has been by direction of the committee, partitioned into separate rooms to correspond with those in the new building, at an expense of nine hundred one 66-100 ($901.66) dollars. This gives eight additional dormitories for the use of the girls with a spacious room for a nursery in that part of the house.

The report of the auditing committee shows, that, as near as can be estimated, the income of the school to 6th mo. 23d, 1869, will exceed its expenses, including the cost of alterations in the girls' lodging-room and interest paid on the debt of the school, by the sum of thirty-five hundred forty-seven ($3,547) dollars, which being deducted from the amount of its indebtedness reported last year, leaves a balance of eleven thousand six hundred thirty-five 77-100 ($11,635.77) dollars now due. From information received from the treasurer of the School Funds, it is anticipated that the income from our charitable fund and the Ebenezer Metcalf fund the coming year, will be sufficient to pay the board and tuition of fifteen scholars, one year each.

We would offer for the consideration of the Yearly Meeting the propriety of making the treasurer of the School Funds an annual appointment, and that he be *ex officio* a member of the School Committee.

It is proposed that the charge for board and tuition the ensuing year of forty weeks to members of our Yearly Meeting, be reduced to one hundred and forty dollars, and that no change be made at this time in the price to other classes of scholars. To show that the proposed charge to our own members is not exceptionally high, it may be stated that from inquiries recently made, the price of board and tuition at Friends' schools in other parts of the country exceeds what is proposed to be charged by us.

The schedule of terms proposed is as follows:

For members of our Yearly Meeting, ...	$140 00
For members of other Yearly Meetings, or where one or both parents are members of our religious society, or for scholars sent at the expense of such, . .	190 00
For all others who may be admitted, ...	300 00

An additional charge of $10 to be made for one year's instruction in Latin, Greek, French, German, or Drawing. One half payable at the commencement of the year, and one half at the opening after the recess.

Taking into view the difficulties that many of our members have to encounter in order to obtain for their children a suitable education to fit them for the business of life, and at the same time to preserve them in some good degree from the maxims and habits of the world; and also to enable such of our young people as are desirous of qualifying themselves to serve as teachers to attain that object, it has appeared very desirable to us that the fund for the gratuitous education of our members at the Boarding School should be increased. To this end a contribution has been commenced by a few individuals, some of whom have long been connected with the school, and we would ask the favorable consideration of friends for this undertaking, and their co-operation with it.

In presenting the annual report of the condition of the school, we feel that we may again commend it to the confidence and support of friends, and we can but trust, that with the help of an individual interest in its welfare on the part of our members, under the divine blessing, that the concern of our predecessors in the truth in its establishment may be in good measure fulfilled.

On behalf and by direction of the Committee.

(From the Minutes of the Meeting.)

WM. C. TABER, *Clerk.*

NOTE —The first half year begins 9th mo. 1st, 1869: Closes 1st mo. 19th, 1870. Winter recess begins 1st mo. 19th, 1870: Closes 2d mo. 2d, 1870. Second half year begins, 2d mo. 2d, 1870: Closes 6th mo. 22d, 1870.

Regulations of the School Committee.—Pupils may be withdrawn at the close of the half year only when application is made therefor at the time of entering. The Committee earnestly desire that the number of those who are withdrawn at the close of the first half year may be as small as possible, as in the arrangement of classes and studies, reference is made primarily, to those who remain through the year, constituting as they do, a large majority of the school, and it will therefore happen that those who remain but half the term will receive less than a proportionate share of advantage.

Application for admission to the school should be made seasonably for the meeting of the Committee on the 3d of Eighth month next. Those who are members of our Yearly Meeting will have precedence of all others to that date, after which applications will be considered in the order in which they are received.

Those who desire the benefit of the Charitable Fund or of the Ebenezer Metcalf donation should apply at the time above specified. And in all cases information is expected of the age, moral habits and literary acquirements of the applicants.

Applications for admission should be made to the Principal. Address: ALBERT K. SMILEY, Principal Friends' Boarding School, Providence, R. I.

The Clerk then having informed the Meeting that there were several subjects of especial interest to both men and women friends, it was proposed to meet in joint session to consider the same (the women's meeting uniting)

Met in joint session -

By a minute of the last Yearly Meeting we are informed that the Meetings which have been known as Meetings of Ministers and Elders are henceforth to be constituted as hereafter mentioned ~~as Meetings~~ under the designation of "Meetings on Ministry and Oversight" Recorded Ministers and appointed Elders are members of such Meeting -

There should also be appointed in each Monthly Meeting, other suitable Friends as members of these meetings, who may be considered likely to prove helpful and to be themselves helped by association therewith

It being important that these Meetings should consist as far as practicable, of individuals of varied ages, gifts and qualifications, care should be taken in making appointment in connection therewith, not to limit the selection to Friends in later life, those being appointed who, whether older or younger give evidence of love to Christ and of attachment to the principles we profess. The names of these are to be brought forward as in the case of the appointment of Elders, and the list shall be revised at least once in two years.

They shall be in all respects members of the "Meetings on Ministry and Oversight" but they are not to be considered as thereby having liberty to travel as Ministers. This appointment does not grant

them from being recognized as Ministers or Elders, if at any time their gifts may seem to warrant such proceeding.

It is recommended therefore, that our Monthly Meetings give early attention to these appointments as contemplated by this Minute of the Yearly Meeting.

By Minute No 29 of the late Yearly Meeting our Monthly Meetings are requested to appoint Committees to assist in raising the necessary additional funds to carry on our Mission work on Mt. Lebanon, Syria.

Our business being accomplished we conclude proposing to meet at North Sandwich N.H. at the usual time in the Tenth Month next if the Lord permit.

(Copy) Report of the Womens Foreign Mission Society of Dover 2 m

The work as at present organized consists of one Auxiliary and one Mission Band at North Berwick

The Auxiliary is composed of ten members - they have held monthly meetings during the year with two exceptions These meetings held at the homes of the members are pleasant and profitable occasions. Visitors other than members have usually met with us, and we have received through letters and otherwise much valuable and interesting information in regard to the two missions for which we are working - At nearly every meeting we have had the pleasure of listening to a letter from our workers in Ramallah and occasionally one from Indian Territory telling of self sacrificing labor of our missionaries there - We have raised in money during the past year $20.45 realized from membership fees, sale of articles and donations. The Children's Band of Willing Workers has done good work, though their meetings have not been regularly held - They prepared a large box of pieces for patchwork and sent to the Schools at Ramallah, at the meetings held during the Spring - In the Autumn they made useful and fancy articles for their annual Christmas sale from which together with a little entertainment and small membership fee they realized $25.12 - The Band supports a girl in one of the day schools at Ramallah and ten dollars was given to Elizabeth Test for the work at the Indian Mission - Eight dollars for the same (Indian) mission also came from the Emic Bible School

Report of the W. F. M. S. of Dover 2. Meeting

The organized work of the W. F. M. S. consists as in the past, of one auxiliary at North Berwick, with a membership of ten. The meetings are held at the home of the members, on the afternoon of the first Fifth day in each month. They were discontinued during the Summer months, but were resumed again in the Autumn, since which time our meeting has been held, and we have usually had some visitors present, who show an interest in our work. Articles on Missionary subjects have been read at the meetings, and we have often had the privilege of listening to interesting and instructive letters from Timothy and Anna M Haxsey, which not only serve to keep us in touch with the work, but are also an encouragement and inspiration to further efforts on our part.

Amount of money raised by Auxiliary $15.30

We contributed articles to the value of $3.50 to the Christmas box sent to Elizabeth Test.

We thought best to discontinue our Mission Band at the close of last year, greatly to our regret since the five years in which we have associated together, they had done good work for the Missionary cause, and shown an interest in it which we hope will still be exerted somewhere. Of the 14 members who composed the Band nine had left town, and had homes elsewhere, and the others were nearly all engaged in Junior Christian Endeavor work.

We have held no public missionary meetings during the year.

We extend a cordial invitation to all to be present at any of our regular meetings, and by so doing it will prove a mutual help and blessing.

Minute of Young Friends Mission Work of Yearly Meeting

The Young Friends Auxiliary of the W. F. M. S. has had a membership of eighteen during the past year. The regular Monthly Meetings have been held, with few exceptions these being held at the homes of the members. Public Meetings have been held, but the regular Annual Meeting was at the home of our President. Several visitors were in attendance, as were also our friends Dr. Richard Mott and Lena B. Thomas, who in a very interesting way told us something of the Missionary work in Japan. We have had the privilege of listening to very interesting letters from Friends and other Young People written by the Girls who are doing

Fourth Day educated in the Friends Home. It helps us to realize my reading these beautiful written lives better than in any other way, the value of the work that is being done there, of which we have the promise of blessing in future years

This was an Epistle directed to send letters to Pennsville when our Yearly Friends Executive Committee left home to take up their work there. Which were valued at $7.56 cts and at that time. We have forwarded through our Treasurer the sum of $10. to Susan K. Meredith Treasurer for N. E. F. Meeting.

Though the work accomplished has seemed small we are glad that we have been able to help in this little, with the larger work and we believe that this can be more efficiently done through an organization through that channel composed of many members. We would gladly add to our number some of the members of this Quarterly Meeting.

Respectfully submitted

"Summary of reports ~~from~~ to Local Meeting of Ministry and Oversight. Only two meetings are regularly held and reports from these are encouraging Through age, severe weather and other causes have kept some away from meeting the past winter. There has been a growth in Spiritual life in some cases quite marked, and some are finding their place and service in the Church and elsewhere We believe most Friends observe family worship. There seems to be a good degree of unity in each of our meetings. Praise to our Heavenly Father is voiced in the reports and a feeling of hopefulness prevails in these meetings. Dover Meeting reports the Meeting house closed on First day but they also report a concern for the work among the members and a wish that any Friends considering a change of location would consider Dover as possibly the right place for a future home"

Minute on the State of Society

State of Society

There seems to be a good degree of Spiritual life and health among the members of Dover Quarterly Meeting

This is manifested by the regular attendance on, and interest in the meetings for worship by many of our members, also by increased interest in our Bible Schools & Christian Endeavor, and it has resulted in several requests for membership with us.

Dover First Day Morning meeting is held Six months in the year 4th to 10th Months with a small attendance; only

Monthly and Quarterly Meetings are held at Pipestone in North Dakota, and no meetings at Edmonton. Gonie and Rochester meetings have a good attendance.

While no investigation has been made we believe many of our members are faithful in the matter of family devotions & reading of the Scriptures & the conduct of our members toward each other & the world seems to be such as becomes our Christian profession. Much good work has been done by our Ministers at Gonie and Rochester in visiting families both of Friends & others and this service is bearing fruit in increased attendance at our Meetings.

We feel grateful to the Lord of all our mercies for the degree of spiritual life & blessing which he has graciously vouchsafed us, and also that no member of our Quarterly Meeting, so far as is known, has been removed by death in the year that has past.

Report on State of Society

The spiritual condition of the membership of Dover Quarterly Meeting is fully as good as usual, tho we realize how far short we fall in this respect of the Pattern set for us in the Mount. The attendance on Public worship is very good at Dover & Rochester & at Dover during the Summer Months it was about the same as usual, No meeting was held at Dover during the Winter Months At North Berwick tho there has been no Friends Meeting the six resident members there have been actively engaged in service with the churches of the Village.

We think family worship is maintained in most Friends families, but we realize that a greater effort should be made to make this a more reverent, more regular more impressive & so most useful spiritual exercise.

Our Friends appear commendably clear in the matter of outward conduct.

The Pastors of Dover Rochester meetings have done considerable family visiting both among Friends & others

The young people are much interested in the Bible School & Christian Endeavor work & many of the older friends are engaged in Temperance & other benevolent work.

Our Quarterly Meeting has felt the loss

by death of several valued members, and many others have been confined during the year by severe & long continued illness, But with all the trials to which so many have been subjected, We have felt the Fathers hand in blessing & are ready to acknowledge that He doeth all things Well.

Report on the State of Society

No marked change is noted in the spiritual condition of the membership.

The regular meetings except some for business have been held at North Berwick and at Dover meetings are held only during half of the year. At Yonie & Rochester Meetings for worship & discipline have been regularly held, and the Friends generally have been prompt & faithful in their attendance.

The attendance for the year has been rather more than ever before at Yonie but at Rochester the numbers have fallen off since they have been without a pastor

The general feeling of harmony which has characterized our Meeting continues and Members are careful in their conduct toward each other & the world, to maintain a Christian spirit

We fear some are careless in the matter of Family Worship, the necessity has been made of this subject.

No protracted meetings have been held, but we have been especially blessed in our Quarterly Meetings every one of which has been a season of great refreshings. Our Pastors at Yonie and Rochester have done much family visiting & generally of the elderly & shut in people of the surrounding country the

attend no church.

The Christian Endeavor Meetings at Gonic have increased in interest, and the attendance averages about 20.

The bible schools also are in very good condition, with a promising lot of young people.

In reviewing the year we feel to thank the good Shepherd for the way he has led and cared for the flock.

State of Society

Report on the State of Society

There is evidence of a good degree of Spiritual life among the membership of Dover Quarterly Meeting.

This is manifested by the good attendance at the First day Morning meetings, usually between 40 and 60 at Dover, and about 30 at Rochester; by the love and unity which prevails, by the willingness of many

to help in the work of the meeting and by the edifying character of our worship.

No meetings were held at Dover during the Winter months, and at Berwick only business meetings are held.

Most friends observe some form of family worship.

The conduct of our members to one another and to the world appears to be such as befits our Christian profession.

Dover and Rochester Meetings have united with the other churches of the city in a prolonged Efficiency Campaign, in connection with the Men & religion forward Movement and our members have been deeply interested and much refreshed by this united effort. Our Ministers have faithfully visited the many outlying families in this vicinity, especially those shut in by illness or want and have ministered to their necessities in the spirit of the Master.

Official meetings have been held at Meaderboro corner and at other places within the limits of Rochester meeting.

The work of the Bible schools and Christian Endeavor Societies is prospering and the interest shown by our many young people gives much promise for the future.

State of Society

State of Society

Our report of spiritual progress for this year is not as triumphant as we could wish, The spirit of our meetings & membership remains about as usual, except that in the Rochester Meeting there appear signs of revival, several conversions of members & others have been reported & some applications for membership have resulted,

Many friends have been kept from our meetings by the state of their health or circumstances, but the attendance has been about the same as last year, averaging 42 in in the Ponic meeting and somewhat less at Rochester, There are the only Friends Meetings left in Dover Quarterly Meeting, tho. valued

Friends remain in North Berwick, & Dover.

There has been the usual interest in Bible School & Christian Endeavor Work.

The conduct of Friends in their relations with each other & with their neighbors has been satisfactory.

Much good Pastoral work has been done both at Gonic & Rochester & this has not been confined to families of Friends.

An attempt to regulate the conduct & pleasures of the young men of Gonic, mostly French Catholic, was made by forming a boys Club. The results have not been entirely satisfactory. Their church is somewhat jealous lest we should alienate their affections & we lack a consecrated young leader to develop a taste for good things in these boys.

The club however has made a social center for the boys during the winter Evenings. Much interest is being developed in out door sports, base ball, tennis etc.

The Quaker Round Table at Gonic did not find so good a place among us as we had hoped. Many of the young Friends who would have enjoyed it were away at School or teaching, and the older Friends were too busy to attend. However we had five or six interesting & profitable evenings.

We feel the need everywhere, in our meetings, of the life of the Spirit in us to set us on fire with zeal & to consecrate us for service.

Reports on the spiritual condition of the membership and the statistics for the year 1916 have been read & the following summaries prepared for the Yearly Meeting.

State of Society 1915

I A vital interest in the affairs of the meetings has been shown by a part of our membership by their attendance, financial aid, testimonies, interest in the upkeep of the meeting houses etc.

About 20% occasionally take vocal part in our meetings.

II Our resident membership is 124

Of these about 74 occasionally at least attend our meetings.

The lack of meetings at Dover & North Berwick & the indifference of some accounts for this small attendance.

The non residents number 52 and most of these attend worship wher they live.

III There are about 43 Friends families in the Quarterly Meting and probably 75% of these observe family worship of some sort.

Fourth Month 1916, Cont;

IV We think that our members mostly fulfill the requirements of the discipline in regard to outward conduct;

V. We have only two meetings for worship ~~in~~ and these carry on Christian Endeavor Meetings & Bible Schools with moderate success,

The members are also actively engaged in the W.C.T.U. & other Temperance work and some have been active in visiting families.

Some Christian literature has been distributed and some Cottage prayer meetings held in the outlying districts. Missionary societies are also maintained by each meeting.

Perhaps 10 or 15% of the attendance are not members, & they take active part in Bible school as teachers & scholars, and also in the Christian Endeavor societies and Missionary work.

7 One of our meetings has held extra meetings for the purpose of awakening the interest and gaining the attendance of non attenders & both meetings have by invitation & family visiting endeavored to secure their attendance

8 No organized or systematic effort has been made to hold non resident members loyal to Christ & to our society but much correspondence by relatives & friends serves to keep in touch with many of them.

Edwin S. Niles, Removed to Stark, Kansas
Ida R Niles, " " " "
Emma Hodges " " Arlington, N.J.
Three of these preached regularly for the first eight months and one for the whole year
There are twelve Elders and nine overseers in the Quarterly meeting.

2 The [illegible] committee of two meetings met occasionally but not regularly, The other meetings, no pastoral meetings.

3 Only two congregations hold regular meetings for worship, two others meet for Monthly & Quarterly Meetings.

4 In the two meetings held, a minute for every minister & testimony is always given.

5 There are about 47 homes containing our own friends and about 25 other homes connected with us in worship. Perhaps 53 of these may be termed visited at the meetings.

6 The Select & Executive system is not thoroughly understood

and not all its members are met in that way

7 Some effort to strengthen interest & non attending members has been made by invitation by the appointed bible classes, socials and by courteous welcome when they come

8 Some effort in visiting & boundaries has been made to keep non resident members true to their membership

9 The Bible school aims to hold the associate members & lead them into active membership. Personal care & visits accomplish this, but we feel that more definite & concerted action would be well.

10 By social meetings & discussions on community welfare in the men's bible class the interest & attendance has been sought.

11 Preaching & personal influence have been the chief means used to bring people & definite stand for Jesus Christ

12 A few neighborhood meetings have been held & prayer calls made especially on the sick & shut-in people of our community.

We appoint Charles E. Pender, Stella Pickford Mrs. T. Hussey, Emma F. Emmes, Elizabeth Emmes Pender, Emma R. Hussey, Roland R. Lauborn, Arline M. Hussey, Lucy H. Dear Sirs - The Dover Quarterly Meeting of Friends representing the 'Quakers' of Southern N.H. and Southwestern Me, in session in Rochester, N.H. Jan 7, 1922, are united in their appreciation and approval of what has already been accomplished by the Conference in limitation of armaments, We think the time is opportune for the voice of the world being now favorably aroused,

for fair & easier ways in the direction of guaranteed peace.

Let International law speak as plainly against the use of Poison Gas, Submarines, Mines, Bombing Planes and other uncontrolled weapons of Warfare that no nation will venture lightly to violate the rules.

But We believe that ~~the war~~ it is easier & better to prevent War altogether than to try to control its conduct, and that the United States is in a position to safely lead the way in the venture of faith that Good will & generous friendship among the nations will preserve peace while threatening armaments are sure to fail.

We believe in disarmament, conference and courts. The Clerk is directed to ask you to use this opinion of the Quarterly where it will do most good in Washington.

State of Society

There are four Ministers belonging to Dover Quarterly Meeting – Charles E. Pearsley, Gonic R.D.; James M. Estes, Rochester, R.F.D. 2 Exie Estes, Rochester R.F.D. 2, Emma Hodges Flushing, N.Y., Three of these preach regularly.

We have 11 Elders & eight overseers.

The Pastoral Committee of one meeting meets monthly, the other not regularly.

Only two congregations in our Q.M. those at Gonic & Rochester hold regular meetings for worship, the others are practically closed.

In our meetings time, freedom & encouragement are given for individual service.

There are about 70 homes of Friends and 25 not Friends connected with our meetings.

Fifty six of these render financial support but the Pledge & Envelope system is not thoroughly used & love does not receive from them enough for all our needs.

Our ministers in regular & Evangelistic Meetings & by Pastoral calls endeavor to awaken the interest & gain the attendance of careless Friends

No organized effort has been made to reach & hold our non-resident members.
The Bible School & Evening Meetings are efficient means for holding our Associate members. Five of them have become active this year.
We try by Socials & Meetings to interest non-attenders & show that they are heartily welcome when they do come.
Evangelistic effort has been made to lead people to take a definite stand for Christ.
Outside of the regular meetings some of our activities have been Cottage Prayer Meetings, Relief work W.F.M.S. & Missionary Socials.
